Kits for Kids

a simple, powerful package, filled with personal hygiene and basic “medicine cabinet” items that are scarce in the developing world.

Due to a lack of access to basic healthcare, **millions of children die each year** of preventable and treatable conditions. **Kits for Kids** is a way to provide access to these simple and affordable supplies.

When a child gets hurt, many families have to travel a long distance by bicycle, bus, or even on foot to receive basic care at the nearest clinic.

Working with pediatricians and nurses, Project C.U.R.E. developed **Kits for Kids** to provide parents in developing nations with the supplies they need for their kids at home.

These basic supplies can mean the difference between life and death for kids around the world.

PACK YOUR KITS TODAY!

Seven Lakes Junior High

PTA and National Jr. Honor Society

Students and their families from our schools are collecting supplies to fill Kits for Kids!

Last year's kits went all over the world to countries including Guatemala, Haiti, Paraguay, Iraq Relief, and more
Your help is needed to help us obtain the backpacks to fill and the necessary supplies to fill them.

HOW YOU CAN HELP...

We appreciate all donations but in effort to equally fill all kits, the grade levels have specific donation requests.

kits for kids

We will email you the destination where kit has been sent so that your family knows where their kit has been sent! This will not be immediate since we need to fill the kits and they must be sent for processing. Info at 281-236-3598

*****NOTE: TABLET MEDICATION CANNOT BE BROUGHT TO SCHOOL. WE STILL NEED THESE ITEMS. PARENTS CAN DROP OFF IN FRONT OFFICE.**

WANT TO DO MORE?

We need donations of \$5 or more to cover the kit backpack and shipping costs or to purchase missing items

Place cash or check payable to Project C.U.R.E. with this form in an envelope labeled K4K and drop off in the mailbox located in the front office.

OR

Donate online at <http://bit.ly/2d8n5gU> to make your donation directly to Project C.U.R.E.

We will also need bottles of junior acetaminophen (tablets), Junior Ibuprofen (tablets), or REGULAR strength tablets of either medication. No extra-strength, please.

Students are not allowed to transport medication, so parents who would like to donate these items must be able to deliver directly to the front office where a bin will be located.

*Questions can be directed to
Janet Thomason at Project C.U.R.E. 281-236-3598.*
